Sir Robert Falconer
President, University of Toronto
Toronto

Dear President Falconer,

I have before me your kind favour of the 20th of April 1914 regarding the extra teaching of our students at the University, as I am at present working on the time table for our coming session & will be greatly obliged if you will inform me who will take charge of the Veterinary Courses in Physiology, Chemistry and Physics, in order that I may consult with them concerning the changes which will be required in our time table owing to the extension of the two former subjects and the addition to our curriculum of the latter (Physics)

Believe me
Yours sincerely

E A A Grange

Principal.

The Principal,

Ontario Veterinary College,

Toronto.

Dear Sir:

I am enclosing a letter from Mrs. Paskett regarding her son who is in Veterinary College, and I have told her that I am sending her letter to you , as I am not in a position to answer it, but that you will be able to give her the necessary information.

Yours very truly,

President's Secretary.
